Amazing Bangkok: Explore the City of Angels to uncover an interesting past

Bangkok, Thailand, July 2016- Think you know everything that Bangkok has to offer? Do you like learning about a city's past? Do you enjoy doing things not everybody does?

With her book, author, Gillian Morris will guide you through the streets of Bangkok to uncover some of the city's European connections. Some of the sites you may already know about, but some you most definitely will not. Explore with her and get to know the City of Angels in a more intimate way; on foot. Embark on a discovery of some of Bangkok's unsung attractions.

On The Trail of Bangkok's European Heritage has been designed to get you off the beaten track and go in search of Thailand's connections with Europe from as far back as the 16th century.
